## Pedestal Dining Table

The thick solid slab that constitutes the top of this table needs space to breath. This simple fact inspired Tucker to create equally thick pedestal bases that allow the slab to do just that while at the same time standing up to the thick profile. Hand hammered edges finish the table edges giving it and unexpectedly refined quality.

Acacia  
Natural or Walnut Finish

30"H x 120"L x 36"W \$26,100
