TUCKER ROBBINS

Heartwood Tripod Dining Table

Made from a reclaimed Kumbuk log, the cross section slab reveals the heart of the tree. The growth rings expand outward from the center, each year of the life of the tree adding to its beauty. Every piece is entirely unique, revealing the history of the tree. Set on a blackened steel tripod base, the slab is displayed like a precious jewel.

Black Kumbuk Top
Blackened Steel Base

30.5"H x 49"L x 38"W \$15,600
