New York, NY 10016

## Pod Light

Domestic use of rattan is as old as human inhabitation of tropical forests around the world. Used here by the Toraja women of Sulawesi, Indonesia originally to create fishing baskets and repurposed as a light shade, these baskets continue to provide for the Sulawesi families by catching light instead of fish. Available with or without rice paper lining.

Woven Rattan

Additional \$100 per light for Rice Paper

Additional \$150 per color for Painted Finish
