Egg

Whether understood as a basic necessity or as a complex idea, the Egg Stool is a product of people learning to communicate through the universal language of design. Since the beginning of history the egg has been a symbol of new beginnings and life as well as a source of nourishment. Tucker, inspired to bring his designs back to the basics, worked with the Ifugao carvers to create an abstraction of something with which they are intimately familiar.

Acacia

Natural, Walnut Wash, or Ebonized

Additional \$300 for Painted Finish

15.5"H x 26.5"L x 15.75"W \$3,600
