

Geodesic Side Table
Featured: Acacia, Natural Finish

Geodesic Side Table

After a four-month journey in the Middle East, Tucker returned with a fascination with the repeating geometric forms often found in Arabian architecture and design. Using one of his Pierced Cubes as a starting point, he cut off the corners to create an entirely new form inspired by his journey with a multitude of angles and facets.

Acacia

Natural, Walnut Wash, Painted or Ebonized

Additional \$300 for Painted Finish
